

I also want to tell you that my eldest son Louis, the Dominican father, is now travelling in America with one of his friends, also Dominican father, Father Maydice, for teacher I suppose.

They are now in Canada, but mean to go also to U.S.A and Mexico they surely will come to San Francisco I suppose somewhat about October or November, I don't know exactly I gave your address to my son before he left in August last, and I am sure he will pay a visit to you - He wrote from Montreal a few days ago, telling me how different it must have become during these more than fifty years since we left - I was only a little girl at the time, but I remember it well, and was always glad to

have learnt English there - I never let it off and love reading English books I was glad you did not think my English too bad - of course I will practise in speaking having scarcely any opportunity of doing so -

I hope your son Frederick and his family will enjoy the time they'll spend in London - If ever it occurs that one of my sons goes over the Channel, I'll tell him to try and meet your son - And if ever your son came to Paris my daughter Françoise and her husband should be happy to greet him: their address is: M^r and M^{rs} Mortier & sueder Marronniers Paris - Michel Mortier went recently to London for business about contact
